September 12, 2009

Dear Green Brook Resident:

As you may know we, Ken Herrmann and Pat Boccio, will face competition for the two committee seats open in this November's election. In addition, we will be running against an incumbent Democrat who is well funded from sources outside of our community.

The Green Brook Republican Club and Republican Municipal Committee have put together a conservative budget for the campaign and we need your support to get our message out. We have been and will continue to walk door-to-door to hear and listen to the community's concerns and to raise the support and funds we need to run a successful and efficient campaign.

Green Brook remains the fine community it is due to the effective Republican leadership that has governed our township over the years. We want Green Brook to continue to be a community of excellent high quality services and lower taxes.

We cannot do it without your support. Your contribution will help defray the campaign's printing, mailing, and advertising costs. Please complete the form below and become part of the Green Brook Republican Campaign Team's election efforts.

Sincerely,

Ken Herrmann

Pat Boccio
